

# A Trip to the Grocery Store

Today I went to the grocery store. When I arrived, the parking lot was full. I had a hard time finding a place to park my car. Before entering the store, I selected a shopping cart. The wheel on my cart was squeaky.

First, I went to the produce section. I got apples, grapes, potatoes, and a large, ripe tomato. Next, I went to the bread aisle. I picked out some white bread that was on sale. After that, I got some swiss cheese. I needed some milk, and the two percent milk was only a dollar fifty, so I got that one.

The next section was the meat department. I got some ground beef for only ninety-nine cents per pound. The last section I went to was frozen food. I got some frozen beans and frozen peas too.

When I arrived at the check-out, the line was very long. Thank God a new register opened up just after I got there. When the cashier rang-up all my purchases, I didn't have enough cash with me, so I had to use my credit card.

Now, I can't wait to get home so I can eat all this food!
